

BIRTHDAY BOOKS

The Venerini Library sponsors a Birthday Book program which enables a child to share his/her birthday by donating a new book to the library. A special bookplate will be placed inside the cover of the book with the child's name and birthday. The book will be sent home for the child to share with his/her family and then returned to the library to circulate with our library collection. Families can elect to have all children donate as one, and all names will be recognized on the bookplate. Not only does this increase our collection but also it adds a personal dimension to many of our titles and the children enjoy seeing familiar names.

To participate in this program we suggest \$20.00, the average cost of a bound and processed library book. This can be done now or during the birthday month. The librarian will help the child select an appropriate title from a selection she has chosen for the library. If a child would like to donate a book in memory of a special person or event, please complete the Birthday/Memory Book form and I will contact you to determine a suitable book with which to honor the special person or event.

This can be done anytime during the school year. If you choose to participate at this time, please fill out the form below and return to the school office in an envelope marked "Birthday Book" or "Memorial Library Book." Checks should be made payable to **Venerini Academy**.

Please contact me if you have any questions regarding this program. Thank you for your consideration.

Sincerely,
Mrs. Avis, Librarian
